

AMENDMENT TO OIL AND GAS LEASE

The undersigned Lessors hereby amend that certain Oil and Gas Lease made May 11, 2006, between the undersigned Lessors, as Lessors, and Vargas Energy Ltd., as Lessee, (the "Lease") to modify 7(b) of the Lease to provide that the Lease will remain in force as to all acreage and depths as long as commencement of the actual drilling of the next well on the Lease following the Edwards 5-H well (the most recent well drilled under the Lease) occurs by August 15, 2010. After completion of this well the Lease will be maintained in force and effect as to all acreage and depths as long as there is no lapse of more than 120 days between the completion of one well and the commencement of the actual drilling of another well (as defined in the Lease).

This Amendment to Oil and Gas Lease may be executed by the parties in any number of counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute but one and the same instrument.
